

## Introduction

Welcome to Northwood Academy Charter School! For those returning families, we look forward to continuing to grow and improve with your help and support. For those families who are joining us this year, we look forward to incorporating you into the Northwood Community. You are part of a partnership whose primary function is the betterment of our children.

Northwood opened its doors in September 2005 to serve children and families in Philadelphia. It is an independent school run by a Board of Directors and a Chief Executive Officer. Our mission is to prepare our children to take advantage of the wealth of educational opportunities that exist for them. To that end, Northwood has hired a dedicated, skilled instructional staff to guide them in the process. Every staff member is charged with the care and well-being of your child.

Northwood students are provided with a rigorous course of study designed to develop critical thinking skills that will serve them well beyond the elementary years. In turn, we expect the parents and guardians of our students to take an active role in ensuring that your child will receive the most benefit possible from their schooling. This is achieved through frequent, consistent communication between home and school. Together we can create an environment that will allow our children to acquire the necessary skills for academic and social success.

Please take the time to read through this policy handbook which is available at [www.northwoodcs.org](http://www.northwoodcs.org). It is designed to provide families with the information needed to make your time at Northwood fruitful and rewarding. **After you have read this handbook, please confirm your commitment to Northwood by signing and returning the signature page on the reverse side of this paper no later than Friday, September 18, 2015. There must be one signature page for each of your children attending Northwood.** If you need a hard copy of the handbook, please call the office and one will be given to your child. Do not hesitate to call should you have any questions, concerns, comments (or compliments!) to share.

We are looking forward to another excellent school year.

## Attendance and Lateness

Daily hours of student attendance are **7:45 a.m. to 3:00 p.m.** The Board of Directors of Northwood Academy Charter School requires that all students enrolled at Northwood attend school daily and on time in accordance with the compulsory attendance laws of the Commonwealth of Pennsylvania. Parents and/or guardians are required to ensure that their children attend school on each day and for all hours and periods that it is in session. The educational program offered by Northwood is designed based upon the presence of the student and requires continuity of instructional and classroom participation. Your child's academic success depends on their attendance during all phases of instruction. Should your child be absent, you must submit an absence note to their teacher within three (3) days of the event. Failure to submit a note within this time frame will result in the absence being coded as Parental Non-compliance. It is also important to recognize that chronic lateness negatively impacts your child's academic progress. A student who is 5 to 10 minutes late every day misses almost a full hour of instruction weekly.

The following are the only absences that are considered excused:

- Personal illness or injury
- Quarantine
- Recovery from an accident
- Attendance required in a court of law
- Death in the immediate family including, but not necessarily limited to, parents, siblings, grandparents or other family members living in the household
- Medical or dental appointments that cannot be scheduled outside of school hours. Notice of such an absence must be provided prior to the day of the appointment, except in the case of an emergency
- Religious holidays, if the religious tenets to which the student and/or their family adhere require observance of the holiday. In addition, upon receiving a written request from a parent/guardian, a student shall be excused from school in order to attend classes for religious instruction under §1546 of the Public School Code of 1949. (24 P.S. §15-1546)
- School sponsored conferences or trips

The following are the only incidents of lateness that are considered excused:

- An unavoidable doctor's or dentist's appointment which is supported by a note from the doctor or dentist

## Behavioral Expectations- Parents

One very important aspect of life at Northwood Academy is our ability to provide a safe environment where learning can take place. Teachers and staff spend time discussing our Northwood Norms with the students and discussing positive ways by which conflict can be avoided or settled in a peaceful manner. It is our expectation that these same values are shared by our families' members. To that end, we ask that parents:

- Uphold all school policies
- Provide all necessary supplies needed for school
- Be punctual dropping off and picking up children
- Comply with attendance requirements
- Assist their children with homework
- Support the uniform requirements
- Volunteer when available
- Take advantage of special events and programs
- Comply with upkeep of student documents (ie: emergency contacts, physicals, dental records)
- Honor fiscal responsibilities such as lunch and trip fees

- Provide proper nutrition and opportunity for sleep

## Grading

Northwood Academy Charter School uses an integrated, technology-supported, standards-based curriculum. It is our expectation that children will put forth their best effort while being supported both in school and at home. Report card grades are calculated based on various measures which include, but are not limited to, formal and informal assessments, classroom work, homework and class participation. The code, indicated below, quantifies the student's progress toward meeting both academic and social grade-level expectations.

- **Kindergarten through 2<sup>nd</sup> Grade**
  - (\*) **Exceeding Expectations** = Child can demonstrate the skill or concept correctly and independently.
  - (+) **Meeting Expectations** = Child shows understanding and ability. Instruction and practice are needed to progress towards independence.
  - (+/-) **Progressing** = Child is showing some understanding and ability. Teacher assistance is needed to progress.
  - (-) **Below Expectations** = Child is unable to demonstrate the skill or concept.
  - (N) **Not Yet Assessed** = Skill or concept has not yet been assessed during this marking period.

- **3<sup>rd</sup> through 8<sup>th</sup> Grade**
  - 90-100= A
  - 80-89= B
  - 70-79= C
  - 65-69= D
  - Below 65= F

When applicable, students receiving special education support will be graded according to their IEPs.

- **Kindergarten through 8<sup>th</sup> Grade- Behaviors and Skills That Promote Learning**
  - S= Satisfactory
  - P= Progressing
  - U= Unsatisfactory

## Honors and Recognition

Students who attend school regularly and excel academically and socially are recognized for their efforts via the Honor Roll. The standards for inclusion on the Honor Roll are outlined below.

- **Distinguished Honors**
  - Students must earn a grade of 90 or above in each subject area as well as all S ratings in Behaviors and Skills that Promote Learning (3<sup>rd</sup> through 8<sup>th</sup> grade). Students must earn all (\*) in each subject area as well as all S's in Behaviors and Skills that Promote Learning (1<sup>st</sup> and 2<sup>nd</sup> grades). Students may also not have more than 5 unexcused absences **and/or** incidences of lateness for each trimester.
- **Meritorious Honors**
  - Students must earn a grade of 80 or above in each subject area as well as all S ratings in Behaviors and Skills that Promote Learning (3<sup>rd</sup> through 8<sup>th</sup> grade). Students must earn a combination of (\*) and (+) in each subject area as well as all S ratings in Behaviors and Skills that Promote Learning (1<sup>st</sup> and 2<sup>nd</sup> grades). Students may also not have more than 5 unexcused absences **and/or** incidences of lateness for each trimester.
- **Perfect Attendance**
  - Perfect attendance is based on a cumulative record of attendance. Students who earn Perfect Attendance recognition have **NO** absence or lateness (excused or unexcused) for the entire school year as it progresses. Perfect Attendance is not judged from trimester to trimester.

## Homework/Make-up work

It is recognized that all learning cannot be accomplished within the limited amount of time allotted for classroom instruction. Therefore, homework is routinely assigned to students. As the word implies, homework is to be completed outside the regular class period.

The Role of the Student- The student has the responsibility to:

- Be responsible for having a copy of the assignments and making sure assignments are clearly understood
- Take home necessary texts and materials
- Complete assignments neatly and on time
- Note any questions about homework to be asked in the next class
- Return assignments and books to school when due

The Role of the Parent- The school encourages the parent to:

- Provide a quiet place for the student to complete assignments
- Encourage the student to study at a regular time in the afternoon and/or evening
- Check the student's assignments each evening and sign them, if required
- Encourage independence in completion of the assignments
- Review and sign tests, when applicable

Students are required and expected to make up assignments, assessments, and projects missed when absent or otherwise not in school. Students have a number of days equal to the number of days absent to complete the missed assignments, assessments, and/or projects. If a student has been absent for an extended period, s/he should request the assistance of his/her teacher in creating a schedule to complete the missed work.

## Early Dismissals

Dismissals prior to the end of the school day are discouraged as they can negatively impact your child's educational progress. Early dismissal of students during the school day will be granted only by the Chief Executive Officer or authorized representatives. Whenever possible, all appointments and activities should be scheduled after school hours. If someone other than the child's parent/guardian is picking up the child for an early dismissal, said parent/guardian must obtain prior approval for this arrangement. When requesting an early dismissal parents must:

- Send a note with your child at least twenty-four hours in advance of the early dismissal (except in case of emergency).
- Report to the front office to sign your child out of the school with proper identification. (Students will not be released from the building without an adult's signature at the front office.)
- Report to the office to sign your child back in in the event that you are able to return to school that day.

**Early dismissals will not be approved beyond 2:30 p.m.**

## Late Pick up

We dismiss Northwood students at 3:00 PM on regular days and at noon on half days. You are expected to pick up your children at that time. When you fail to be here on time, we are required to provide extra supervision for your child. A late fee of \$10.00 for every twenty minute increment will be assessed. Failure to pay will result in loss of school privileges.

## Money

Please follow the procedure below whenever sending in money with your child:

1. Put money in and seal the envelope
2. Mark the envelope clearly with student's name, grade, room number, amount of money and purpose for the money.

## Homeroom Assignments

Students are assigned to homerooms during the summer months. The student then receives correspondence from their prospective teacher in August. While it is not our policy to move students once assignments have been made, situations sometimes arise that make this necessary. Please be aware that homeroom assignments are subject to change based on student need.

## Field Trips

Periodically, students are taken on field trips as part of their educational experience. Since field trips are educational in nature, all students should participate unless they are ill. When such trips are being planned, permission slips will be sent home to be signed and returned to the teacher. The permission slip will outline the date, time, cost and any other pertinent information. If a permission slip is not signed and returned to the teacher, the student may not participate in the trip. Non-participation in trips may have an adverse affect on some grades as assignments may be given based on the actual trip.

Since trips are educational in nature, students are required to wear school uniforms unless otherwise indicated on the permission slip. All trips are supervised by the teacher and other adult chaperones.

Parents who serve as chaperones must obtain state and federal (fingerprinting) criminal and child abuse clearances prior to attending trips. Other children (siblings) are not allowed to go along on the trip. Also, all chaperones must be at least 21 years of age. Since chaperone space is usually limited, every effort will be made to allow all interested parents at least one opportunity to chaperone a trip.

## **Internet and/or Technology Usage**

Unauthorized and inappropriate use of the Internet and/or technology while in school is grounds for disciplinary action up to and including expulsion. Inappropriate home usage of the internet by a student that in some way associates student wrongful conduct with the school, other students, teachers or staff may be cause for disciplinary action if the inappropriate use affects the administration of the school generally, or the relationship of the school to the student specifically. Thus, for example, a posting to an Internet site from home containing threatening and derogatory comments about a teacher, student, or school official may be grounds for dismissal. This is so particularly when the posting creates an atmosphere of fear or otherwise adversely affects the educational mission of the school. All students and parents will be required to sign an Acceptable Usage Policy for Technology prior to using school equipment.

## **After Care**

CORA Services, Inc. provides the after-care services for Northwood Academy Charter School children which is housed within the building. This service is at a cost established by CORA Services and will operate every day after school from 3:00 – 6:00 pm. Outside teachers and Northwood Academy Charter school teachers provide your children with snack, homework help, and enriching extracurricular activities.

## **Requests for Vacations/Trips**

In order to promote a consistent educational process throughout the school year, parents should **not** schedule vacations/trips during the school year. If a vacation/trip is unavoidable, please note the following:

- Notify the CEO, in writing, at least two weeks in advance if a student is to be taken out of school for a scheduled absence of more than two (2) days
- Time lost will count toward the total number of cumulative absences of the student
- Absences taken during mid-terms, finals, and standardized testing are strongly discouraged
- Students absent due to a family vacation/trip are responsible for the completion of all missed work
- Work will not be prepared in advance of the absence

## **Birthday Celebrations**

To celebrate student birthdays, a birthday roll will be called daily and students will come down to the office to receive a token gift from the administration. There will be no celebrations in classrooms as they interfere with instructional time. Also, students may not distribute party invitations in their classrooms.

## **Arrival/Dismissal Procedures**

It is imperative that you do not block our neighbors' driveways during arrival or dismissal times. This may require you to park and walk a short distance. Please arrive with enough time to park legally and safely.

Please do not allow your children to exit your automobile in the middle of the street (Adams or Castor). This is an extremely dangerous practice. For the safety of your children, please pull into a parking spot or the drop off lane on Adams Avenue.

Students are to be dropped off on Adams Avenue at the rear of the building between 7:15 a.m. and 7:45 a.m. There is no supervision prior to 7:15 a.m. Students walk up the blacktop and enter the building through the cafeteria or the rear lobby doors. ALL entry doors will be closed promptly at 7:45 a.m. Students arriving after that time must be escorted to the Castor Avenue main entrance and receive a late note. Please note that it becomes congested between 7:35-7:45 and requires your patience for everyone's safety.

At dismissal time, children in grades K, 1 and 2 are to be picked up in the side courtyard and grades 3-8 on the Adams Ave. blacktop area. Parents should wait in the specific area for their children.

Parents of children who are not picked up by 3:10 p.m. will be charged a late fee \$10 for every 20 minutes.

### **Inclement Weather**

Any time there are questionable weather conditions, log onto [www.KYW1060.com](http://www.KYW1060.com) (*Our school closing number is 735*) or [www.myfoxphilly.com](http://www.myfoxphilly.com) for specific information. Please note if School District of Philadelphia public schools are closed – Northwood is closed. If the School District of Philadelphia announces an early dismissal, please consult either website above or listen to KYW Newsradio 1060AM to find out if Northwood is included in the closing/delay.

### **Health Office**

Our school nurse handles a variety of student medical concerns each day as well as maintaining medical records for each student. Please inform the nurse of any special health problems or concerns. If a child becomes ill during the school day, s/he will be given immediate attention. You will be called if your child is too ill to return to class. Please advise your child that s/he cannot personally call home if they feel ill but must go to the nurse's office.

### **Medicines**

Children are not to bring in any kind of medication or to self-administer any kind of medication with the exception of asthma inhalers (see below). Should the occasion arise when a student must take medication during the school day, the medication must be prescribed by a physician and arrangements must be made through the nurse's office. Physicians and parents are required to complete the *Request for Administration of Medication, Use of Suction, Oxygen or Other Equipment in School* form. The physician must send written orders which include: diagnosis, dosage, and the time to be given during the school day. All medications and prescriptions are to be brought in their original bottles to the nurse and kept in the health office.

Over-the-counter drugs including cough medicine, aspirin, etc. must also be accompanied by a doctor's note. If the need arises that you must administer the medication to your child personally during the school day, please go directly to the nurse's office after signing into the building. Your child will be called to receive his/her medication. Medication cannot be dispensed at any location other than the nurse's office unless an emergency exists.

Asthma inhalers may be self-administered, if the student has provided, to the nurse, a note from the doctor approving self-administration. However, the nurse must be notified immediately by the student when a student has self-administered asthma medication. The nurse will record the information on her medication log. When the school nurse is not in school, the Principal or designee may administer medication under the guidelines established by the Pennsylvania Health Services Commission.

### **Physicals/Immunizations/Dental Records**

State law requires that, prior to beginning kindergarten, students in the Commonwealth of Pennsylvania must: 1) have a physical examination by their physician; 2) be immunized; and 3) have a dental checkup. The appropriate forms can be found in the Student Enrollment Packet.

**IMPORTANT:** State law requires that all 6<sup>th</sup> grade students receive a new physical examination prior to starting their 6<sup>th</sup> grade year and 7<sup>th</sup> grade students require updated immunizations. Medical forms are distributed at the end of the 5<sup>th</sup> grade and 6<sup>th</sup> grade years. Students who do not submit a completed medical form/immunization record to the nurse by September 28<sup>th</sup> of the following school year will be, by law, excluded from school. Any students who wish to participate in any sports must complete an inner scholastic participation form.

### **Extracurricular Activities**

Northwood Academy offers a variety of extracurricular activities to students in grades 3 through 8. There are various sports and specialty clubs in which students may participate. Inclusion in extracurricular events is a privilege offered to students who maintain good academic and behavioral practices. Team and club information is announced school-wide.

## School Bus Behavior

In an effort to assure the safety of your children, the following rules must be observed by all riders. Failure to follow the rules will result in disciplinary action as outlined below:

### Rules:

- Sit in your assigned seat at all times.
- No eating or drinking on the bus.
- Be respectful- use quiet voices and kind words
- Keep your hands, feet and objects to yourself at all times

### Violations:

- **1<sup>st</sup> Write –up:** Conference with the student and an administrator
- **2<sup>nd</sup> Write –up:** A written notice goes home to the parent which must be signed and returned to school. Failure to return the signed notice will result in suspension of bus privileges.
- **3<sup>rd</sup> Write- up:** Student is suspended from riding the bus for 3 days.
- **5 or more Write ups:** The student will be suspended from the bus indefinitely.

## Emergency Drills

Students will participate in emergency drills monthly throughout the school year. These drills are to prepare students and staff for any emergency that may ensue requiring the building to be evacuated.

## Communication

Frequent, consistent parent/teacher communication is vital to the educational success of your child. Together we form a team that focuses on your child's needs, concerns, and growth. We invite you to participate in the process by contacting the school whenever you have concerns or questions. Each Wednesday, the bulk of school-wide communications are sent home. Please read carefully the information offered in this section regarding communication.

Listed below are the methods of communication by which we maintain contact with families:

- School web site – [www.northwoodcs.org](http://www.northwoodcs.org) and/or listserv- sign up on our website!
- Weekly Wednesday Reminders
- E-mail - the teacher's [first initial and lastname@northwoodcs.org](mailto:first_initial_and_lastname@northwoodcs.org) (e.g. ahollister@northwoodcs.org)
- Scheduled parent/teacher conferences
- Progress/Interim Reports
- Report Cards
- Letters from Administration and teachers
- Notes or telephone calls
- Board Meetings
- Parent information sessions

### **Talking with your child's teacher**

At Northwood, there are multiple staff members available to speak with you in regard to your child. The classroom teacher is the starting point when you have a concern. If you wish to speak with your child's teacher, please call, write a note or email to arrange a discussion time. The office staff will convey parental messages to individual teachers. You should receive an initial response from your child's teacher within 24 hours of leaving a message. The issue may not be resolved at that time but you will have spoken directly to the teacher.

During arrival and dismissal times, teachers have a responsibility to focus their attention on the children. This is not a time for parents to have "brief" meetings with teachers. If there is something that cannot wait, please send a note with child, call or visit the office or send an email

to the teacher. If you need a response or action within a school day, do not count on email, call the office as emails may only be checked in the morning.

The secretaries will be happy to take phone messages for teachers. Secretaries are not permitted to interrupt instruction. All messages will be delivered to teachers on the same day on which they are received.

If you have questions or concerns that go beyond the teacher's scope, please contact the front office and they will put you in touch with the proper staff member (i.e. nurse, transportation coordinator, Director of Special Education).

### **Change of Address and/or Telephone Number**

It is necessary for parents/guardians to immediately notify the homeroom teacher and the school office concerning any change in address and/or telephone number whether it be a change at home or place of employment. It is critically important that we have a way of reaching someone in the event of an emergency.

### **Parent Conferences**

Parent/Teacher conferences are held formally twice a year at the end of the first and second trimesters. Conference dates are listed on your monthly calendar. These conferences are held so parents and teachers may exchange information about the student to better serve the student's needs. Additional conferences may be requested by parents and/or teachers (in writing, in person or by telephone) as needs arise. Parents must make an appointment to speak in person with teachers so a mutually agreeable time for both may be chosen. This allows meeting to be held under the best possible conditions.

### **Public Comment at Board Meetings**

The Northwood Academy Charter School Board of Directors recognizes the value, to school governance, of public comment on matters facing the school.

In order to permit fair and orderly expression of such comment, the Board will provide up to a thirty (30) minute period for public participation on each of its public meeting agendas. Public comment may be on any topic related to the operation of the charter school. Please note, to be placed on the public section of the agenda, a written request must be addressed to the Board of Directors and hand delivered to the front office or sent via U.S. Mail to 4621 Castor Avenue, Philadelphia, PA 19124. Requests must be received at least three (3) working days prior to the scheduled meeting.

The request must include all of the following information or it will be denied:

- The speaker's name
- What, if any, group or persons the speaker represents
- What, if any, relation the speaker or represented group has with Northwood
- The topic or matter that will be addressed

Time allotted to individuals will be limited to three (3) minutes. However, additional written information may be presented to and considered by the Board.

Should you miss your designated place on the agenda, you will need to resubmit your request for a future meeting. No one may make the presentation on your behalf. Board members and administrators will not respond to public comment during the comment period.

## **Parent Volunteer Opportunities**

### **VOLUNTEER CLEARANCE REQUIREMENT**

We, at Northwood, appreciate the time given by our families to our many programs and events. We also take the safety of our students very seriously. Beginning July 1, 2015, **any adult who wishes to serve as a volunteer** (this includes, but is not limited to, field trip chaperones) **at Northwood will need background clearances.** This is in accordance with new Child Protective Services Laws, Act 153 of 2014. Pennsylvania has waived its fees associated with

these volunteer clearances. However, the \$27.00 FBI fingerprinting fee still applies. Please know that payment is your responsibility and will not be reimbursed by Northwood Academy.

#### **Which clearances are needed?**

- Report of criminal history from the Pennsylvania State Police (PSP);
- Child Abuse History Clearance from the Department of Human Services (Child Abuse);
- A fingerprint based federal criminal history (FBI).

More information about clearances required under the Child Protective Services Law can be found at [www.keepkidssafe.pa.gov](http://www.keepkidssafe.pa.gov). Individuals seeking clearances can go directly to [www.compass.state.pa.us/cwis](http://www.compass.state.pa.us/cwis) to create an individual account and apply for their child abuse clearance electronically.

All clearance information will be kept confidential and handled directly by our Community Coordinator, Mrs. Amy Kelly. If there is a violation that would preclude you from being able to volunteer, you will be notified directly. Any new information of which you need to be aware will be communicated, when it becomes available, via our website, handbook and/or Wednesday reminders.

Please be advised that we need to receive, review and process all three (3) of the clearances listed above **before** you are permitted to volunteer at Northwood. Once you have obtained your clearances, please bring the original documents to school. You may also send the originals in with your child. The school is required by law to see the originals. Copies of clearances will be made for your volunteer file and the originals will be returned. As these clearances are needed prior to volunteering, it is advised that you obtain these clearances as soon as possible.

Clearances will not be needed to attend general admission events such as Family Movie Night, Spring Concert and the like. We look forward to continuing family involvement.

#### **Parents/Visitors/Volunteers**

In order to maintain building safety for all students and to protect valuable instructional time, all visitors must report directly to the main office. All visitors must sign in and out of the building and wear a visitor's pass or identification badge. An administrator has the right to refuse admission to the school for those who fail to make advance arrangements or whose presence conflicts with other school activities. Parents/Visitors/Volunteers shall not go directly to classrooms or interrupt staff members in the performance of duties. Visitors are prohibited from carrying weapons into the school building. Only on-duty law enforcement officers are permitted to carry their weapons in the building.

#### **Cell Phones**

The staff of Northwood Academy understands that there are situations and circumstances **outside of school** during which your child may need a cell phone. However, a student's cell phone **must** be turned off prior to entering the school and should not be seen or heard throughout the day. The use of cell phones during school hours is prohibited. If a cell phone is seen or heard by a staff member during school hours, they are charged with confiscating the phone and delivering it to an administrator. Parents/guardians must pick up the confiscated cell phone. Northwood Academy Charter School will not assume responsibility for the loss or theft of cell phones.

#### **Personal Items of Value**

Parents are urged to help their children understand that they are **not** to bring items of value (either monetary or sentimental) to school. This includes iPods and any other electronic games or devices. The use of electronic toys and games is prohibited in school. These items are costly and Northwood will not be responsible for breakage or theft.

#### **Search and Seizure**

Desks and storage spaces, which are provided to students without charge, are the property of the School. The principal or designee may have general inspections on a periodic basis. The principal

or designee may open desks or storage spaces in the presence of a witness and examine the contents, including personal belongings of students when there are reasonable grounds to believe that they may contain illegal drugs, contraband, weapons or stolen property or that the student has violated or is violating state or federal laws, township codes or Board of Directors policies or regulations. This is true provided the search is conducted primarily for enforcing order and discipline for the school and not for criminal prosecution. Reasonable efforts to locate the student shall be made prior to the search. If the student is present, the school official shall advise him/her of the circumstances justifying the search and seizure of the objects that the official believes the search may disclose. Stolen items and items that are specifically prohibited by law, Board of Directors regulations, township or school regulations may be impounded. The student shall be given a receipt for any items impounded by school authorities and parents shall be notified of any items impounded.

### **Solicitation**

Many of the students of Northwood are afforded opportunities to participate in outside activities. Some of these activities require that students raise funds in order to take part. Given the wide selection of opportunities (ie: student ambassadorships, sports teams), we cannot allow students to solicit funding, for private gain, in school.

### **Telephone Usage**

The school telephones are available for students' use in emergency situations as determined by the school. Forgetting notes or assignments are not emergencies. Our goal is to help the students develop responsibility for gathering necessary materials and supplies prior to coming to school. Students will also not be interrupted in their classrooms to receive telephone calls. Messages will be given in emergency situations only.

### **Textbooks/Supplementary Materials**

Students are responsible for the maintenance and care of all materials supplied by Northwood. Textbooks must be covered. No adhesive covers, such as contact paper, may be used directly on textbooks. Parents and students are responsible to pay for damaged or lost books and/or materials (e.g. calculators). Failure to return school materials will result in withholding report cards until the fees are paid. Students in grades 5 through 8 will also be required to purchase a Northwood Planner from the school,

### **Uniform Policy**

Proper uniforms must be worn every day. Adherence to the Northwood Uniform Policy is part of the Student Code of Conduct signed by each family at registration. The uniform policy is as follows:

The School is committed to providing an environment that promotes student wellness, proper nutrition, nutrition education and regular physical activity as part of the total learning experience. In a healthy school environment, students will learn about and participate in positive dietary and lifestyle practices that can improve student achievement. A copy of the wellness policy is on hand in the Main Office for your viewing.

## Merits and Demerits

When a staff member notices a student excelling in or improving a certain behavior, they will distribute merits to that student. Merits are tickets that students can redeem for raffles, rewards, and other privileges. If a student does not put forth adequate effort in a particular area, or refuses to comply with any school rule or expectation, s/he will receive a demerit. Students are given opportunities to improve their behavior as appropriate prior to receiving demerits. Students may receive multiple demerits for continuous non-compliant behaviors that are a detriment to themselves or the learning community at large. Merits and demerits can be earned any time students are under Northwood supervision including during arrival, after school, on the bus, and during off-site school sponsored events. Consequences for accumulated demerits include, but are not limited to, loss of privileges, lunch detention, suspension, community service within the school and Saturday detention. A student's performance ratings for Skills and Behaviors that Promote Learning on the report card can be affected by the number of merits and demerits accumulated throughout a marking period.

Long-term: The student can be suspended for more than ten days following approval of the principal's recommendation by the Board of Directors.

Expulsion: A student can be expelled only by action of the Board of Directors based upon recommendation of the principal or designee. An official expulsion hearing will be held with a hearing officer and legal representation for the student if so desired. Expulsion from school excludes the student from regular school attendance.

Notification: A disciplinary form and/or phone call from the principal or her designee will be received by the parent(s) when the student is assigned in-school suspension or out-of-school suspension or is recommended for long-term suspension or expulsion.

**The suspension notice for in-school suspensions shall include at least the following information:**

1. Reason(s) for the suspension and date(s) or suspension are to be clearly stated
2. A parent is expected to participate in a conference with the principal in order for the student to be readmitted to the regular classroom.
3. The student will not be allowed to participate in classroom and school activities during the suspension period.
4. Appeal procedures will be clearly stated.

If a student is assigned an in-school suspension, a parent will be expected to enter an agreement with the principal, which outlines the guidelines of the in-school suspension program.

**The suspension notice for out-of-school suspension (fewer than ten days) shall include at least the following information:**

1. Reason(s) for the suspension and date(s) of suspension are to be clearly stated.

4. The student is not to go on school property.
5. Appeal procedures will be clearly stated.

**The suspension notice for long-term suspension/expulsion (greater than ten days) shall include at least the following information:**

**First Notice:**

1. Reason(s) for the suspension and date(s) of suspension are to be clearly stated.
2. A parent should be told that an investigation is being conducted by the administrators and what the most severe recommendation might be.
3. A date and time for a conference is given when a parent, accompanied by the student, must come to school for a conference with the principal or designee to present and hear information.
4. The student will not be allowed to participate in classroom and school activities during the suspension period.

If the principal moves forward with the recommendation, the principal will write to the President of the Board and send a copy of the notice to the parents(s).

**Second Notice:**

- **Appeal Procedures**

**In-school Disciplinary Actions**

Should a parent disagree with disciplinary action of the school, other than out-of-school suspensions or expulsions, the parent may appeal as follows:

1. Appeals should be made to the principal by arranging an appointment or by writing to the principal.
2. If the parent is dissatisfied with the result of the appeal to the principal, the parent may appeal to the Board of Directors. Appeals must be filed in writing, within three school days of receipt by the parent of the principal's notice of disciplinary action.

**Out-of-school Suspension (ten days or fewer)**

Should a parent disagree with a suspension of ten days or fewer, the parent may appeal the decision of the principal as follows:

1. Appeal requests must be made in writing, by the parent, to the designee of the Board of Directors. Such written request must be filed with the principal within three school days of the notice of suspension or the right to review and appeal is waived.
2. If the parent is dissatisfied with the designee's decision, he/she may appeal the decision to the Board of Directors by filing a written request of appeal within five school days, or the right to further appeal is waived.

In cases of immediate appeal, if the principal determines that the student's presence at the school does not create a continuing danger to persons or property, or an ongoing threat of disruption, the student may be allowed to continue in school on a regular basis until the appeal is considered. A favorable decision will allow the student to continue in school, whereas a decision supporting the principal will require the student to serve the full suspension beginning the next school day after receiving notice of the decision. In situations where the student is excluded during the appeal process and the appeal is ultimately favorable to the student, opportunity will be provided for the completion of make-up assignments.

### **Long-term Suspensions (more than ten days)**

Following a hearing, should the parent disagree with the Board or designee's decision to suspend for more than ten days, the parent may appeal the decision to the Board of Directors as follows:

1. Appeal requests must be made, in writing, to the principal. Such requests must be filed with the principal within five calendar days of the suspension decision, or the right to appeal is waived.
2. If the parent is dissatisfied with the designee's decision, he/she may appeal the decision to the full Board. The appeal must be in writing and must be filed with the principal within five calendar days of the designee's decision or receipt of the decision by the parent or the right to appeal is forfeited.

### **Expulsions**

Following the principal's recommendations for expulsion, a hearing will be held by the Board of Directors.

## **BULLYING POLICY**

**Resolved**, that the Northwood Academy Charter School hereby adopts the attached primary Policy on Bullying and its prevention/intervention in order to ensure compliance with HB 1067 (PA), amending "Article XIII-A Safe Schools" in the Pennsylvania School Code of 1949, that requires each school entity to adopt a policy relating to bullying.

The Northwood Academy Charter School (NACS) is committed to providing a safe, positive learning environment for its students. NACS recognizes the negative impact that bullying has on student health, welfare, and safety and on the learning environment at school. NACS recognizes that bullying creates an atmosphere of fear and intimidation, detracts from the safe environment necessary for student learning, and may lead to more serious violence. NACS prohibits bullying by students and personnel.

### **Definition:**

**Bullying** is characterized by the following three (3) criteria:

It is aggressive behavior or intentional harm doing.

It is carried out repeatedly over time.

It occurs within an interpersonal relationship where there is an imbalance of power (e.g. one person is physically larger, stronger, mentally quicker or socially more powerful).

*Physical:* hitting, kicking, pushing, shoving, getting another person to hurt someone;

*Verbal*: racial slurs, name-calling, teasing, taunting, verbal sexual harassment, gossiping, spreading rumors; or

**Bullying** is the intentionally harmful (electronic, written, verbal, non-verbal, psychological or physical) act or series of acts that is directed at another person, in and/or outside of a school setting or using school property (as defined below) and is severe, persistent, or pervasive and has the effect of doing the following:

1. Substantial interference with a student's education
2. Creation of a threatening environment
3. Substantial disruption of the orderly operation of the school

**School setting** means in the school, on school grounds, in school vehicles, at a designated school bus stop or at any activity sponsored, supervised or sanctioned by the school.

**School property** means the school computer or telephone.

**Authority:**

Northwood Academy Charter School prohibits all forms of bullying.

Northwood encourages students who have been bullied or witnesses bullying to immediately report such incidents to any building administrator. If there is no response, the target of such acts is encouraged to report the incident to the Board of Directors.

Northwood directs that complaints of bullying shall be investigated promptly and thoroughly, and corrective action shall be taken when allegations are verified. Confidentiality of all parties shall be maintained, consistent with the school's legal and investigative obligations. No reprisals or retaliation shall occur as a result of good faith reports of bullying.

**Delegation for Responsibility:**

Each adult and student shall be responsible to respect the rights of others and to ensure an atmosphere that is conducive to learning and free from bullying.

The Principal (or designee) shall develop administrative regulations to implement this policy. The Principal (or designee) shall ensure that this policy and administrative regulations are reviewed annually with staff, students, and parents.

The Principal (or designee), in cooperation with other appropriate administrators, shall review this policy every three (3) years and recommend necessary revisions to the SRC.

School administration shall annually provide the following information with the Safe School Report:

1. NACS's Bullying Policy
2. Report of bullying incidents
3. Information on the development and implementation of any and all research-based bullying prevention and intervention programs.

**Guideline:**

The Student Code of Conduct, which shall contain this policy, shall be disseminated annually to students. This policy shall be accessible in every classroom. Such programs shall provide training for school staff for effectively responding to, intervening in and reporting incidents of bullying. All school bullying prevention and intervention efforts shall be aligned with the framework of the research-based Responsive Classroom and Developmental Designs and shall be approved by the school's Board of Directors.

**Consequences for Violations:**

Upon receipt of a complaint of bullying, the Principal (or designee) shall meet with the student(s) who is bullied and student(s) who bullies separately, starting with the student(s) who is bullied, and investigate the reported allegations.

If the allegations are confirmed, the Principal (or designee) shall do the following:

1. Inform the student who bullies the results of the investigation
2. Review the definition of bullying and the district's policy on bullying
3. Give the consequences for the behavior relative to the number of offenses and the severity of the behavior.
4. Notify the parents of the student(s) who bullies, including the actions of the student and the consequences.

A student who violates this policy shall be subject to the following disciplinary procedure:

**First Offense:** Documented warning and parent notification

**Second Offense:** Parent conference, loss of school privileges, exclusion from school-sponsored activities, detention, or counseling within the school

## **Child Find Policy (Annual Notice)**

### *Policy and Procedures for Students with Disabilities*

Northwood Academy Charter School will ensure that all students with disabilities who are eligible to enroll in the school will have available to them free and appropriate public education in the least restrictive environment. The purpose of this annual notice is to comply with the school's obligations under Chapter 711 of Title 22 of the Pennsylvania Code. The rights of children with disabilities and their parents will be protected in accordance with federal laws.

As part of this child find responsibility, NACS seeks to ensure that all students with disabilities who are eligible to enroll in the school are identified, located and evaluated. This child find responsibility shall be accomplished through a process which, while not a definitive or final judgment of a student's capabilities or disability, is a possible indicator of special education needs.

The child find process shall include obtaining data on each student, through direct assessment or by indirect means of the student's academic performance, gross and fine motor skills, receptive and expressive language skills, vision, hearing and cognitive skills.

School staff, parents or agency representatives may refer students to the multi-disciplinary team if they believe that the student, because of a disability, may be in need of special education and supportive services in order to benefit from regular education. NACS shall ensure that an appropriately certified school psychologist participates in the initial evaluation and all subsequent re-evaluations of the student.

Final identification of students with disabilities and programming for such students occurs only after an appropriate evaluation and a determination by the multi-disciplinary team. If it is determined that the child requires special education and supportive services in order to benefit from regular education, an Individual Education Plan shall be developed for the student in accordance with federal law.

If you know someone or have a child with a disability who may be in need of special education and related services, you can initiate a referral through the school by contacting Pamela Friedman, Director of Special Education at 215-289-5606 or by emailing to [pfriedman@northwoodcs.org](mailto:pfriedman@northwoodcs.org).
